CLUB BUSINESS MEETING

04 OCT 2023

This week's speaker, Rtn. Adv Kaustubh Kamat, introduced a very interesting topic which is quite new to the legal world. He provided useful insight on the newly passed Mediation Act 2023. Though it is a very useful law for providing relief outside of court procedures there are a few exclusions from the law, especially regarding family and criminal matters. He explained in detail the provisions of the Act, its applicability, the usefulness and the procedures to be followed while implementing them. He also informed about the difference between mediation under the Act and the very popular Arbitration proceedings. The Mediation Act is in itself a big step towards legal freedom in the country and Adv Kaustubh gave valuable guidance on the do's and don'ts to all those present. He also clarified the doubts raised by the audience during the Q&A session in a very practical and jovial manner.
