WEEKLY MEETING

03 JAN 2024

We had the privilege of having **Shivaaneey Rai** as the weekly meeting speaker. **Rtn. Dr. Menghraj Chugh** took the charge as the Acting President for the meeting.

Shivaaneey Rai works in the bio-energy sector as the Asst. Vice President of **TruAlt Technologies Ltd. Bengaluru**. Her passion for effective communication, creating captivating brand narratives and fostering sustainable business growth has landed her in an industry where very few women are presently seen.

Over the years, she has met and worked with industry-leading companies and stalwarts from all over the world. Her visits to Brazil and interaction with their industrial leaders have helped her discover new sets of skills as well as introduced her to technologically advanced methods to ensure sustainable growth. She works closely with Union Minister **Mr. Nitin Gadkari** on matters related to policy decisions.

During her speech, she stressed on the importance of bio-energy in the form of ethanol and green hydrogen in the near future and how automobile companies are adapting themselves to the new fuel technology. She advised that the best form of investment at present would definitely be in bio-energy keeping in mind the necessity and availability of feedstock in future.

Her odyssey as a Rotaractor of our club to being appointed as the Asst. VP of a multi-million company was received with warmth and pride by all the Rotarians, Rotaractors, Anns and Rotakids present.

FELICITATION OF ROTAKIDS

| 03 JAN 2024

Gardens Club of Kolhapur had organized a **Skit Competition** to increase Plastic awareness.

A group of 7 Rotakids, along with coordinator **Rtn. Shobha Arvind**, participated in this competition and won special prize. We felicitated the winner rotakids during our weekly meeting at the hands of meeting guest **Shivaaneey Rai**.
