WEEKLY BULLETIN 2023-24 ISSUE NO. 39

PUBLISH DATE : 24 MARCH'24

President **Rtn. Siddharth Patankar** commenced the meeting by introducing our esteemed guest speaker, **Rtn. Sanjeev Chiplunkar**, whose narrative encapsulated a journey of resilience, personal growth, and service.

Rtn. Chiplunkar reminisced about his modest beginnings as an average student, underscored by the fortunate opportunity of a scholarship during his 7th standard. Despite facing educational challenges and the heartache of unrequited love during his adolescence, he embarked on a **transformative journey of self-improvement**.

Through embracing fitness regimes like cycling and yoga, he discovered his physical prowess and inner strength. Joining the **Rotaract Club** marked a pivotal moment, offering him not just leadership roles but also invaluable lessons akin to an MBA course in project management and people skills.

His personal pledge to abstain from alcohol, inspired by the tragic loss of his elder brother, shaped his ethos of self-discipline and responsibility. Professionally, his 28-year partnership in the advertising business, forged with past Rotaract Presidents, exemplified collaboration and mutual growth.

Throughout his Rotary service, Rtn. Chiplunkar demonstrated a commitment to numerous community projects, notably the development of the Nana-Nani park and innovative initiatives like the multi-variety lotus cultivation in a single pond.

In conclusion, Rtn. Chiplunkar emphasized the intrinsic value of self-satisfaction derived from altruistic endeavors, transcending the need for external validation. The meeting concluded with heartfelt anecdotes from senior members, reminiscing on Rtn. Chiplunkar's impactful Rotary Presidential year, while Rotaractors pledged their support for ongoing projects, including the Plastic Recycle initiative.

Rtn. Pratap (Bapu) Kondekar who was also the Lucky Rotarian for the meeting, was felicitated on his birthday, adding a touch of warmth and camaraderie to the proceedings. Rtn. Bhupendra Shah extended a vote of thanks, expressing gratitude to Rtn. Chiplunkar for sharing his inspiring journey.

During the Weekly Meeting held on 20th March, **Rtn. Pratap (Bapu) Kondekar** had invited all Club Members to attend the "**Pani Pujan Ceremony**" on the occasion of "**World Water Day**" on 22nd March at **Rajaram Lake**. This event is **organized** by Rtn. Pratap Kondekar, every year on this occasion along with the "**Builders Association of India**", "**Earthmovers Association**" and the **Irrigation Department**.

This year, the Chief Guest was **Dr. D T. Shirke – Vice Chancellor, Shivaji University** along with **Dr. V M. Shinde – Registrar, Shivaji University** and other office bearers from the surrounding villages, the Irrigation Department and the associations.

Both Dr. Shirke & Dr. Shinde spoke eloquently on the current state of Kolhapur, as being very well supplied with water and a pleasant climate suitable for agriculture. They both cautioned that the precaution for a shortage or drought needs to be started and made in times of plenty. In case we start the preparation and saving of water in times of shortage or drought, it will be too late. Cautionary examples of Johannesburg, South Africa, and Bangalore in India, where water is so short that it is being rationed, were given.

Rtn. Pratap Kondekar explained the purpose of the meeting and the activities they have been conducting in the Rajaram Talav area, including tree plantation.

Members of the **Rotary Club of Kolhapur**, who attended the meeting also wished Rtn. Pratap Kondekar on the occasion of his birthday
