ROTARY HERALD

WEEKLY BULLETIN 2023-24 ISSUE NO. 46

PUBLISH DATE: 12 MAY'24

This weekly meeting featured **CA**. **Yogesh Kulkarni** as the guest speaker. He was introduced by **Rtn**. **CA Abhay Golwalkar**. Mr. Kulkarni started the session by introducing himself and his journey from a job abroad to returning to India, and starting his one of a kind consulting company with a focus in and around Goa, Belgaum and Kolhapur.

The topic for this seminar was related to MSME and the Udhyog Aadhaar registration. He informed members that there are a lot of misconceptions and lack of awareness regarding the scheme, and he will be briefly highlighting the benefits and the process of applying for the registration. Udyog Aadhaar registration is a government registration that provides a recognition certificate and a unique number in order to certify small/medium businesses or enterprises. The businesses are categorized as Micro, Small & Medium based on their turnover and investments. Based on the category, the category/gender of the business owner and the major activities the business (NIC Code) is involved in, and location of the Business (C or D Zone), the Government offers various schemes to encourage the growth of the business and increase the employment opportunities.

Taking a few examples, he showed the various benefits available, and how to scan for the same using your registration. After getting registered, your business will be eligible for availing government scheme benefits for MSMEs which will include loans without guarantee, low-interest rates on loan, and easy loan. Collateral free loans as well as a reduced rate of Interest from banks. Protection against delayed payments. Reimbursement of payment made for obtaining Trade Mark, Patent or Intellectual Property. Enterprises registered can enjoy Direct Tax Exemption in the initial year of business, as mentioned in the scheme by the Government and depending on business activity. **Rtn. Sanjeev Chiplunkar** proposed the vote of thanks.

We also felicitated Rtn. Ajinkya Kadam, Rtn. Avinash Raste for their birthday and Rtn. Sanjeev Chiplunkar for Anniversary who also happened to be the lucky Rotarian of the meeting.
