WEEKLY MEETING

At the recent Rotary meeting, Sanjay Khadilkar was introduced as the guest speaker by Rtn. Upendra Deuskar. Khadilkar shared valuable insights on the 3S model for organizational change, a process that he has been implementing since 2016, with an 8-year journey of transformation. He emphasized the importance of the "commitment capability model," highlighting that when employees have both high commitment and capability, recognition and appreciation alone can ensure retention. Khadilkar stressed the critical role of communication within organizations, encouraging leaders to share a sense of urgency and involve employees in problem-solving and decision-making.

Drawing from his own experience, Khadilkar spoke about the leadership structure in his organization. He has a core team of nine members, supported by an additional sixteen, and proudly shared that two to three individuals are prepared to take over in his absence. This exemplifies his belief in creating leadership through development and empowerment. He further discussed the leadership philosophy of "leading by example" and how his approach to leadership helped navigate the challenges of the pandemic.

Khadilkar also touched upon the evolving patterns of education, suggesting that a mix of 60% offline and 40% online learning could be most beneficial. He shared the success of his institute, where 80% of students are placed in jobs, showcasing effective management practices. The session concluded with a vote of thanks by PDG Pratap Puranik, who was also the lucky Rotarian for the day.

MY TEACHER - DR CHITRA SHARMA

She is an author who retired as a professor of English. For the sake of academics, I could say she was my English teacher in higher secondary, but in reality, she has been my teacher ever since. Our journey began on a rather rocky note with an argument over some grammatical issue (quite rare in those days 😊). However, she never treated it as an argument. Instead, she kept encouraging me to continue, patiently guiding me until I realized for myself that I was wrong. Isn't that what a true teacher does?

"A true teacher is one who teaches you to learn by yourself." – Dr. S. Radhakrishnan

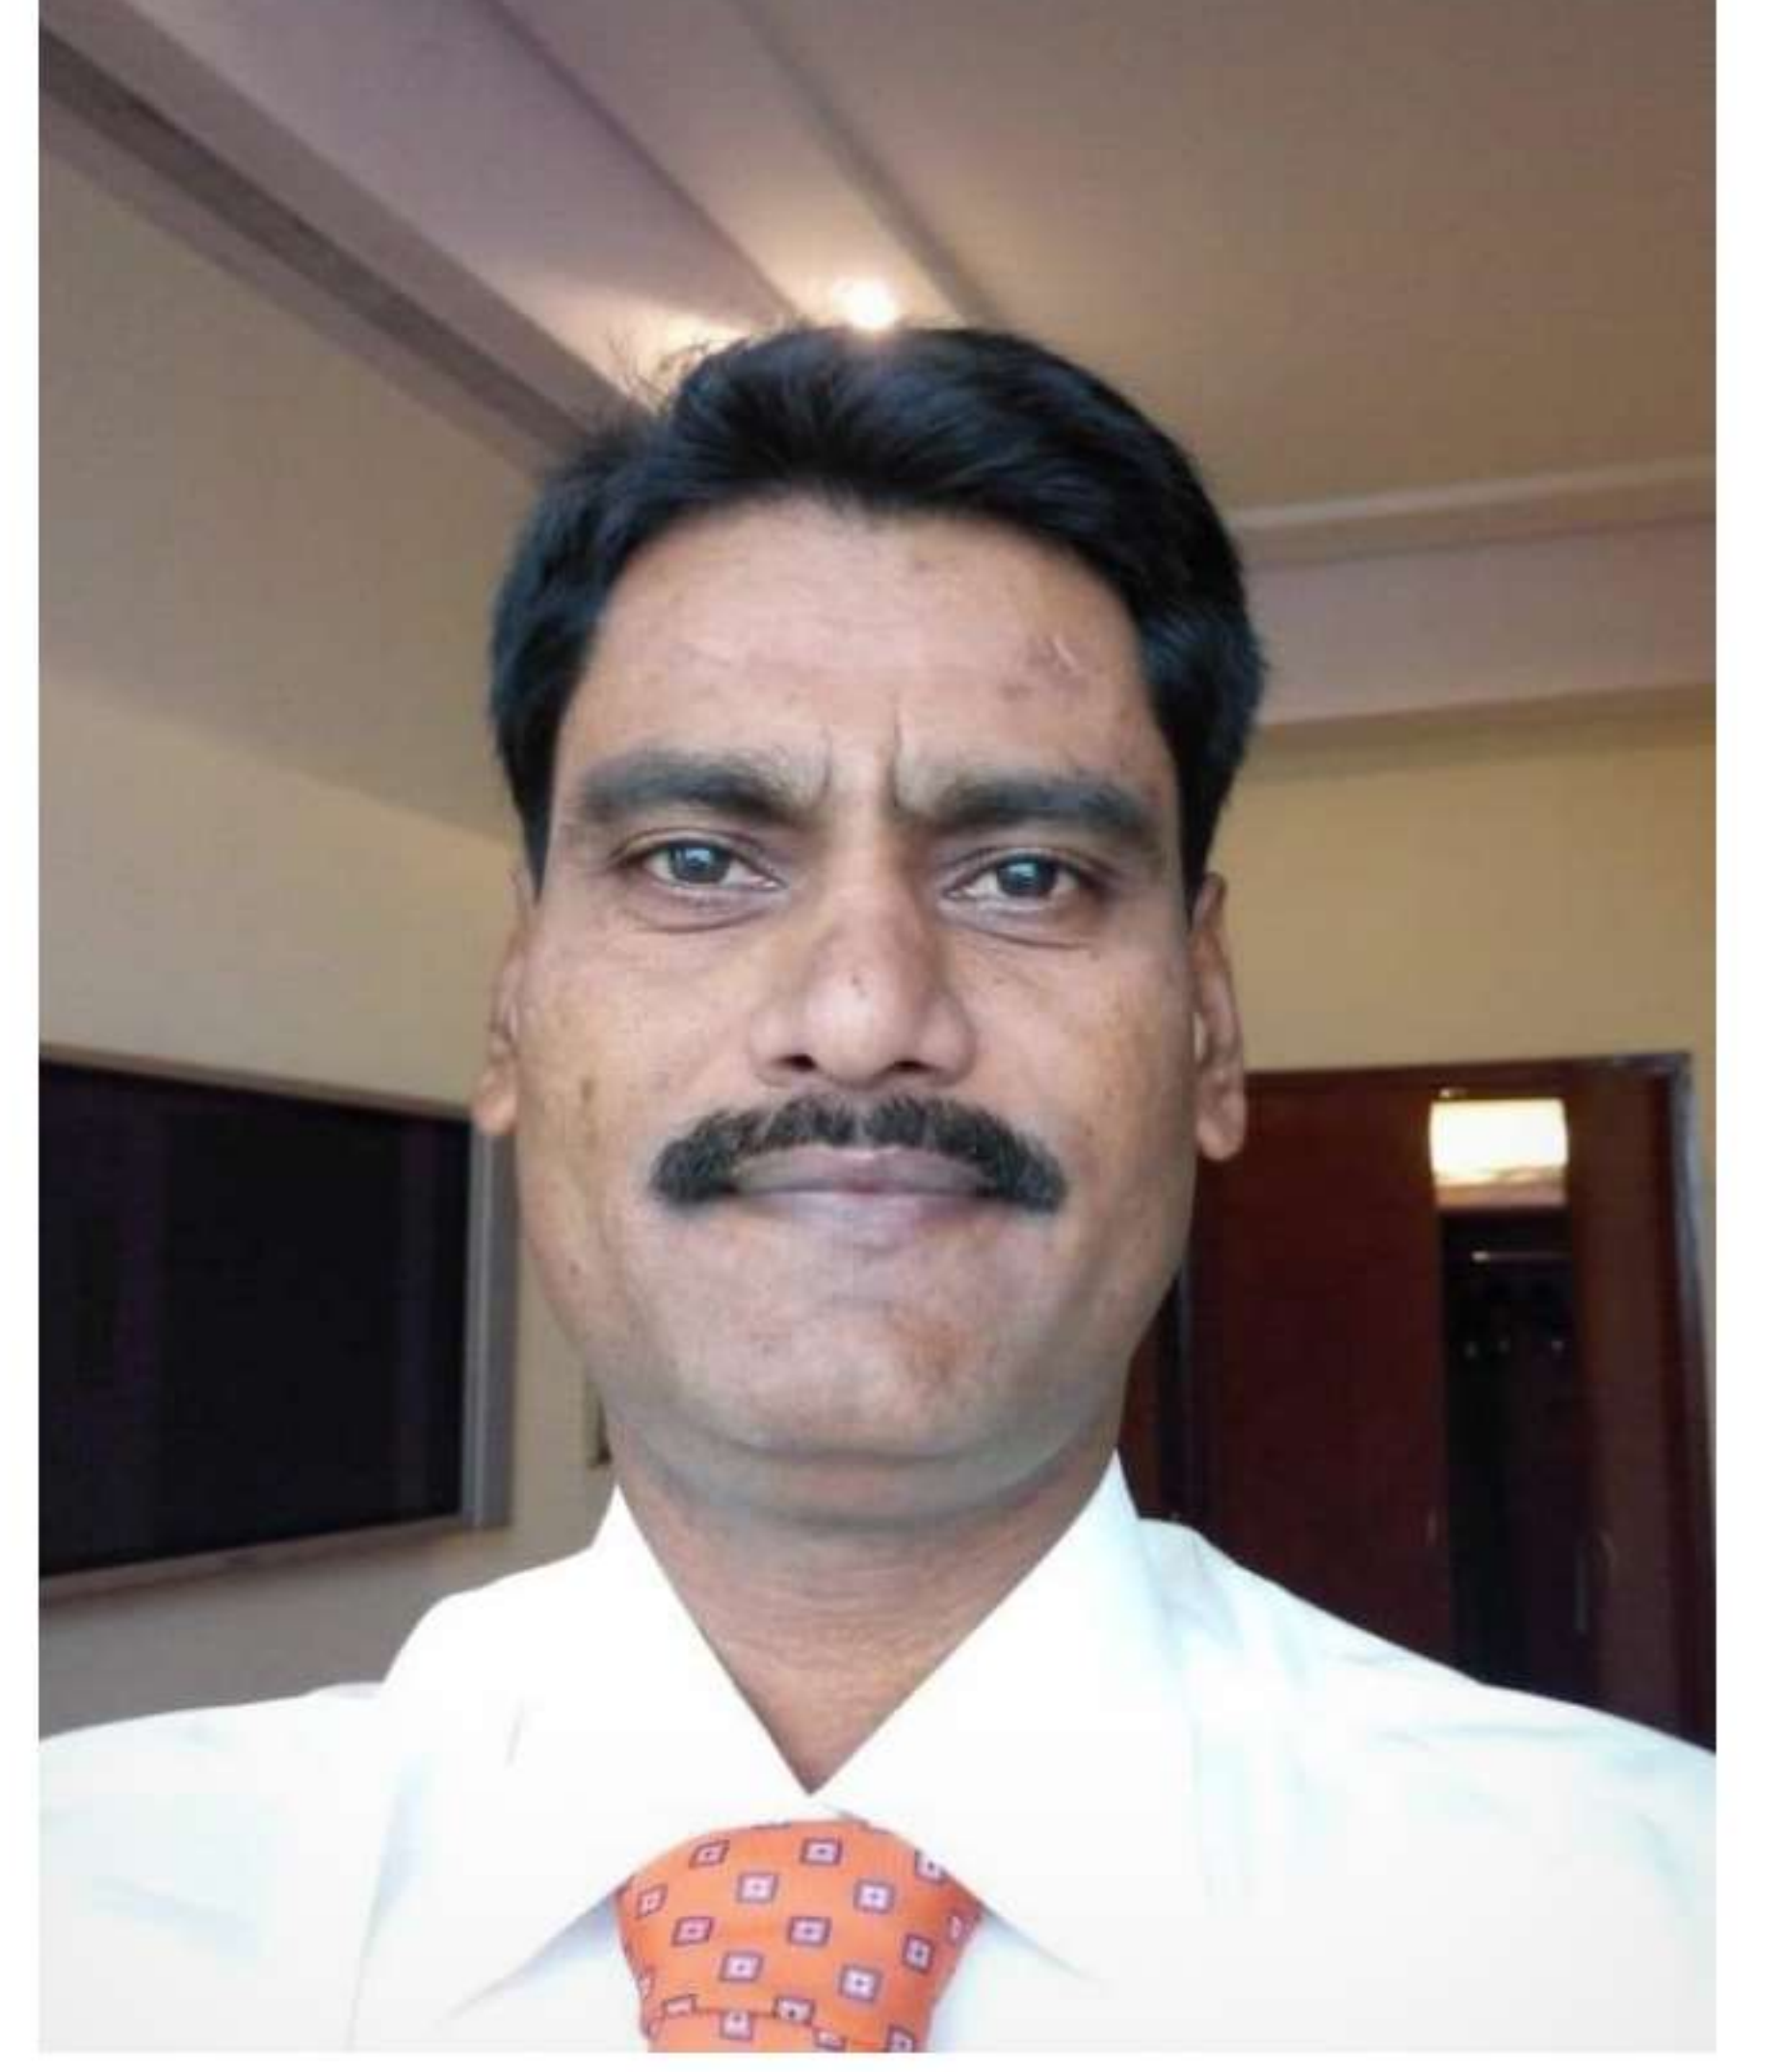

I've known her for 25 years now, and she has been a constant pillar of support and motivation throughout my life. She consistently encourages me to take on new challenges, learn new things, work harder, and serve others. It was her inspiration that led me to start working as an educator and to share my knowledge with future generations.

I often marvel at the beautiful connection between a student and a teacher. A teacher is someone you can turn to for answers to all kinds of problems. It's a bond that transcends any limits or boundaries. I pray that everyone has the good fortune to find such a guru, guide, and mentor in life. I am extremely grateful for having her in mine. May God bless her with all the happiness, especially on this Teachers' Day. 🙏

SONG OF MY HEART

रंगोली (१९६२) या हिंदी चित्रपटातील “छोटी सी ये दुनिया पेहचाने रास्ते है” हे माझे आवडते गाणे आहे.

हरहुन्नरी कलाकार किशोर कुमार व प्रसिद्ध नर्तिका वैजयंतीमाला यांच्यावर चित्रित झालेल्या या गाण्यात किशोर आपली प्रेमिका वैजयंतीमाला (निम्मो) हिला आपल्या प्रेमाची वारंवार जाणीव करून देत आहे परंतु निम्मो त्याच्यावर प्रचंड नाराज आहे. गाण्यातून किशोर तिला शेवटी आज जरी तू निघून गेलीस तरी शेवटी तू माझ्याकडे परत येशील असे बजावतो. प्रत्येक भारतीय चित्रपटाचा शेवट शक्यतो गोड होतो याही चित्रपटाचा शेवट गोड होतो व वैजयंतीमाला किशोरचे प्रेम स्वीकारते. चित्रपट जरी माझ्या जन्माच्या अगोदरचा व रंगीत नसला तरी Romantic कॉमेडी आहे माझ्या पत्नीचे नावही निर्मला असलेने हे गाणे जास्त आवडत असेल. हे गाणे किशोर कुमार यांनी स्वतः गायले असून नायिका पण हे गाणे गाते तो स्वर गान सम्राज्ञी लता मंगेशकर यांनी दिला आहे. तूर्तास इतकेच धन्यवाद.
